Testimonials

Mr & Mrs Twitchen, Married August 2020

Having recently had our wedding at the BOSC, we wanted to say how thrilled we were. The venue was really lovely, overlooking the cricket pitch, and with a function room and terrace upstairs, and a large terrace downstairs, it was the ideal size for all our guests to enjoy the beautiful views and tranquil setting. The balcony provided the perfect ceremony space. The team at the BOSC really made our day feel special and very welcoming, they were on top of all the detail, and due to them, everything ran smoothly and seamlessly. This venue would be great for a wedding, or any other function, as due to its size, could cater for numerous occasions. We were so impressed we have booked it for another function next year!

Mr & Mrs Bartle, Married December 2021

'We had our wedding at the BOSC on 23rd December 2021. Chermain was brilliant. She couldn't have done anymore to make our wedding the brilliant event that it was! The Chef and team supplied the exact menu that we requested and ensured all of our guests were catered for. The waiting staff did a great job keeping everyone fed and watered. We can recommend Disco Darren for the entertainment. We have had such good feedback from our guests that we'd love to do it all again - but maybe not this year. Thank you all - amazing run-up to Christmas.'

Mr & Mrs Wright, Married July 2021

Having a wedding during covid was never going to be ideal, but having the amazing location at the Bosc made our day unforgettable. The Bosc itself is stunning, to look out from the balcony with the cricket in the background and woodland just beyond was spectacular, the ease of having the play park next to the BOSC so our guests could relax while their children play was such a bonus. Having our ceremony on the balcony was perfect for our special day and being able to decorate it accordingly was brilliant, With the function room providing plenty of space for guests and staff during covid times ensuring our day was still perfect. Chermain was brilliant at organising the day keeping the stresses from us, so we and our guests felt relaxed while enjoying the day. Thank you to all the team for helping make our day so special.'
